JL PIGGYBACK SHOCKS

Trim Guide for Front Fender Liner

- When installing 3.3 Falcon Shocks trim along the **BLUE** line to allow space for the Fast Adjust Knob to turn easily.

3.3 = - - - - -

Fast Adjust Knob Badge Placement

The Fast Adjust Knob Badge is meant to be a quick reference for adjusting. Place it where it will be easily seen. If placed on the dash you may need to bend the badge a little to match the curve of the dash
